

7.2.1 Institutional best practices

Practice 1: Student Principal Forum:

Under this scheme we have organized meeting between principal and all class representatives. In this meeting Principal sir has discussed following points :

- Introduction and Welcome: Start with a welcome message from the principal or moderator, emphasizing the importance of student involvement in shaping the college community.
- Review of Previous Meeting Minutes: Discuss the minutes from the previous forum meeting, highlighting any action items or decisions made and their progress.
- Announcements and Updates: Share any important announcements, updates on college policies, events, or initiatives that may affect students.
- Agenda Review: Go through the agenda for the current meeting, allowing students to suggest additional topics or modifications.
- Student Concerns and Feedback: Provide a platform for students to voice their concerns, suggestions, and feedback on various aspects of college life, including academics, campus facilities, student services, and extracurricular activities.
- Discussion of Specific Topics: Dive into specific topics or issues identified on the agenda, fostering open dialogue and brainstorming potential solutions.
- Updates from Student Representatives or Committees: Receive updates from student representatives or committees working on specific projects or initiatives within the college community.
- Closing Remarks: Conclude the meeting with closing remarks, expressing gratitude to participants for their input and reinforcing the commitment to student involvement and collaboration.
- Future Meeting Schedule: Confirm the date, time, and location of the next forum meeting, ensuring that students have the opportunity to continue participating and contributing to the college's development.

- **Practice 2 Mentor Mentee Program :**

In a vibrant conference room, the mentor-mentee meeting hummed with anticipation as a diverse group of students gathered, each with their aspirations and questions. The mentor, a seasoned professional with a wealth of experience, welcomed the eager faces with warmth and encouragement. As discussions unfolded, the mentor offered sage advice, sharing insights gleaned from years of navigating the professional landscape. Meanwhile, the mentees absorbed every word, their eyes alight with inspiration and curiosity. In this nurturing environment, knowledge flowed freely, fostering growth and empowerment among both mentor and mentees alike. Each student left the meeting with renewed determination and a deeper understanding of their chosen path, poised to embark on their journey with confidence and purpose.
