- **Practice 2 Mentor Mentee Program :**

In mentoring program throughout COVID-19 we take Precautions while preparation and following factors was implemented:

1. Digital Platform: we use an appropriate electronic system for performing mentorship sessions. Alternatives consist of video clip conferencing devices like Zoom, Microsoft Teams, or Google Meet in addition to messaging systems like Slack or e-mail for asynchronous interaction.

2. Matching mentor and mentee: We have assigned mentees with respective faulty who teach them class wise.

3. Facility of Communication Channels: Set up devoted interaction networks for mentor coupled with mentees to connect. Which consist of telephone calls, messaging systems, e-mail or a mix of these.

4. Routine Check-ins and also Progress Monitoring:
We have Scheduled routine check-in sessions in between mentor and also mentees to assess progression, review obstacles as well as supply support (after each online lecture).
5. Encouraged mentees to track their progression and also share updates with their in between sessions. Monitored the mentorship partnerships carefully along with step in if any kind of concerns or issues emerge.
6. Offer Resources: Offered sources such as posts, webinars on the internet training courses to sustain mentees in their understanding as well as advancement.
7. Assessment plus Feedback: Implement devices for collecting comments from both mentor and also mentees to review the performance of the program.
By following this implementation strategy we have properly used internet in mentoring program throughout COVID-19 that gives beneficial assistance to mentees.
