- Q1. Punctuality in the class
- Q2. Regularity in taking classes
- Q3. Completes syllabus of the course on time
- Q4. Makes alternate arrangements for class in his/her absence
- Q5. Self confidence
- Q6. Communication skills
- Q7. Command over subject matter
- Q8. Skill of linking subject to life experience & creating interest in the subject
- Q9. Refers to the latest developments in the field
- Q10. Uses of teaching aids (Projector/Blackboard/PPT's)
- Q11. Uses of innovating teaching methods
- Q12. Shares the answer of class tests and question bank
- Q13. Shows the evaluated answer books of class tests to the students
- Q14. Helps students by providing study material that is not readily available in the textbooks through e-sources , e-journals reference books,etc
- Q15. Helps students irrespective of ethnicity/ culture/ background and gender
- Q16. Helps students facing physical, emotional and learning challenges
- Q17. Approach towards developing professional skills/career goals among students
- Q18. Helps students in realizing their strengths and development needs
- Q19. Control mechanism in effectively conducting the class
- Q20. Act as a role model

Q.No.	Parameters for evaluating feedback
1	According to you, the syllabus of your subject is challenging.
2	The syllabus of your subject is designed in a way, you expect your students to learn that sub
3	The contents can directly be applied to real life situations.
4	The syllabus is sufficient to bridge the gap between industry standards / current global scenari academics
5	The course contents are deep enough to grasp the knowledge of that s
6	The syllabus can be completed in stipulated time period, mentioned in the syllabus.
7	Sufficient teaching hours are allocated to all units included in the subject.
8	The syllabus develops ability in students to model & analyze industry issues / projects for getting projects or industrial training.
9	Sufficient reference material and books are available, in view of their international recognition, topics mentioned in the syllabus.
10	The syllabus provides expected Learning outcome (in terms of concepts, knowledge, analytical al broadening perspectives)
11	The evaluation methods mentioned in the syllabus are sufficient for providing proper assessr
12	The syllabus provides Research motive in curriculum

The syllabus for the subject is ideal & can be carried forward as it is in forthcoming years

Q.No.	Parameters for evaluating feedback
1	According to you, the syllabus of your subject is challenging.
2	The syllabus of your subject is designed in a way, you expect your students to learn that sub
3	The contents can directly be applied to real life situations.
4	The syllabus is sufficient to bridge the gap between industry standards / current global scenari academics
5	The course contents are deep enough to grasp the knowledge of that s
6	The syllabus can be completed in stipulated time period, mentioned in the syllabus.
7	Sufficient teaching hours are allocated to all units included in the subject.
8	The syllabus develops ability in students to model & analyze industry issues / projects for getting projects or industrial training.
9	Sufficient reference material and books are available, in view of their international recognition, topics mentioned in the syllabus.
10	The syllabus provides expected Learning outcome (in terms of concepts, knowledge, analytical al broadening perspectives)
11	The evaluation methods mentioned in the syllabus are sufficient for providing proper assessr
12	The syllabus provides Research motive in curriculum
13	The syllabus for the subject is ideal & can be carried forward as it is in forthcoming years

from teachers

P.V.G's College of Science & Commerce, Pune 9  
 Feedback from Teachers - For design & review of syllabus

Academic Year: 2022-23

Sem-I

Name of the Teacher: Vanita B. Mhaske

Department: Computer Science (Statistics)

Kindly write the number that best describes your opinion against each question.  
 5=Strongly Agree, 4=Agree, 3=Neutral, 2=Disagree, 1=Strongly Disagree, 0=Can't say

Q.No.	Parameters for evaluating feedback	Kindly mention Course & subject you have taught in AY 2022-23		
		Mathematical		
		Statistics		
1	According to you, the syllabus of your subject is challenging.	2		
2	The syllabus of your subject is designed in a way, you expect your students to learn that subject.	4		
3	The contents can directly be applied to real life situations.	4		
4	The syllabus is sufficient to bridge the gap between industry standards / current global scenarios and academics.	3		
5	The course contents are deep enough to grasp the knowledge of that subject.	3		
6	The syllabus can be completed in stipulated time period, mentioned in the syllabus.	4		
7	Sufficient teaching hours are allocated to all units included in the subject.	4		
8	The syllabus develops ability in students to model & analyze industry issues / projects for getting internship projects or industrial training.	3		
9	Sufficient reference material and books are available, in view of their international recognition, for the topics mentioned in the syllabus.	4		
10	The syllabus provides expected Learning outcome (in terms of concepts, knowledge, analytical abilities, or broadening perspectives)	4		
11	The evaluation methods mentioned in the syllabus are sufficient for providing proper assessment.	4		
12	The syllabus provides Research motive in curriculum	3		
13	The syllabus for the subject is ideal & can be carried forward as it is in forthcoming years.	2		

Any suggestions for improvement:

- More Discrete Prob. Dist. should added.
- Joint Prob. concept. may introduce.

Feedback from Parents  
For design & review of syllabus-semester wise / year wise

Name of Parent: Smita Atul Shingvi  
Name & Class of your ward: Mayuri Atul Shingvi : T.Y.B.Sc.  
Occupation: Housewife  
Contact No: 8421008866      Email-id: shingvi98@gmail.com  
8623899908

1. Do you think the course syllabus go hand-in-hand with industry standards?

Extremely poor    1   2   3   4   5    Extremely good  
           

2. Do you think your ward can apply concepts learned in syllabus in real life situations?

Yes       No

3. How would you rate the syllabus in terms of getting employment opportunities for your ward?

Extremely poor    1   2   3   4   5    Extremely good  
           

4. If you compare the syllabus with other equivalent courses (from same university) or same course (from other university), your ward is getting sufficient knowledge about the subjects?

Strongly agree    Agree    Neutral    Not Agree    Strongly not agree

5. Give suggestions for improvement

Q.No.	Parameters for evaluating feedback
1	According to you, the syllabus of your subject is challenging.
2	The syllabus of your subject is designed in a way, you expect your students to learn that subject.
3	The contents can directly be applied to real life situations.
4	The syllabus is sufficient to bridge the gap between industry standards / current global scenarios and academics.
5	The course contents are deep enough to grasp the knowledge of that subject.
6	The syllabus can be completed in stipulated time period, mentioned in the syllabus.
7	Sufficient teaching hours are allocated to all units included in the subject.
8	The syllabus develops ability in students to model & analyze industry issues / projects for getting internship projects or industrial training.
9	Sufficient reference material and books are available, in view of their international recognition, for the topics mentioned in the syllabus.
10	The syllabus provides expected Learning outcome (in terms of concepts, knowledge, analytical abilities, or broadening perspectives)
11	The evaluation methods mentioned in the syllabus are sufficient for providing proper assessment.
12	The syllabus provides Research motive in curriculum
13	The syllabus for the subject is ideal & can be carried forward as it is in forthcoming years.

Q 18	Q 19	Q 20
308	314	310

Punctuality in the class
Regularity in taking classes
Completes syllabus of the course on time
Makes alternate arrangements for class in his/her absence
Self confidence
Communication skills
Command over subjectb matter

Skill of linking subject to life experience & creating interest in the  
Refers to the latest developments in the field  
Uses of teaching aids (Projector/Blackboard/PPT's)  
Uses of innovating teaching methods  
Shares the answer of class tests and question bank  
Shows the evaluated answer books of class tests to the students  
Helps students by providing study material that is not readily available  
Helps students irrespective of ethnicity/ culture/ background and  
Helps students facing physical, emotional and learning challenges  
Approach towards developing professional skills/career goals and  
Helps students in realizing their strengths and developments  
Control mechanism in effectively conducting the class  
Act as a role model
