e-Governance Policy (2024-25)

The e-governance policy at Pune Vidyarthi Griha's College of Science & Commerce, Pune-9 aims to streamline and digitalize various administrative and academic processes to ensure transparency and efficiency. This approach assures the college commitment to modern educational system and e-governance. Key areas of this policy include students admission process, computer labs for conducting practical sessions, digital access to course syllabi, timetables, training & placement support and library system etc. The college utilizes e-governance for document management such as audited financial statements, important official documents, examination system, teaching-learning process, digital library, biometric system, social media communication and digital advertising and promotion.
