To Whom It May Concern,

This is to confirm that **Sakshi Ganesh Sanas** has been undertaking an internship with **Moxiedeck Software Pvt. Ltd.** as a Fullstack Java Developer. The internship commenced on April 1, 2024, and is scheduled to conclude on September 30, 2024.

During this period, **Sakshi Ganesh Sanas** has been working closely with our development team, contributing to various projects that involve both front-end and back-end development. The responsibilities and tasks include, but are not limited to:

Front-End Development: Utilizing technologies such as HTML, CSS, JavaScript, and frameworks like React or Angular to create dynamic and responsive web interfaces.

Back-End Development: Working with Java, Spring Boot, and related technologies to develop robust and scalable server-side applications.

Throughout the internship, Sakshi Ganesh Sanas has demonstrated strong technical skills, a keen willingness to learn, and an ability to collaborate effectively with team members. She has shown significant progress in understanding and applying Fullstack Java Development principles in practical scenarios.

We are pleased with Sakshi's performance and the contributions she has made during this period. Should you require any further information, please feel free to contact us at hr@moxiedecksoftware.com.

To Whom So Ever It May Concern

This is to certify that Sourabh Dalvi has completed Ten months and eight days of employment as an employee of ArrayGen Technologies Private Limited. Sourabh joined our organization as a Software Developer Intern on 3rd July 2023, and his tenure concluded on 10th May 2024. During his time with us, Sourabh exhibited exemplary performance and dedication. He primarily contributed to the TCGA Database project and the development of our company website. His role involved backend development in PHP and front-end development using HTML, CSS, and JavaScript. Sourabh demonstrated proficiency in handling complex tasks related to project work, showcasing his skills and commitment to excellence.

During this period, his work was satisfactory in carrying out the job duties. His responsibilities were to:

- Proficient in developing robust and scalable web applications using PHP, Django.
- Skilled in designing and implementing webpages using HTML, CSS, and JavaScript to ensure seamless integration with front-end applications.
- Experienced in collaborating with team members to analyze requirements, plan solutions, and troubleshoot issues effectively.
- Utilizes MySQL database for efficient database operations and management.
- Implements security measures to safeguard sensitive data and mitigate potential vulnerabilities.
- Demonstrates expertise in writing clean, maintainable, and well-documented code following best practices and coding standards.

Sourabh consistently met project deadlines and delivered work of exceptional quality. His remarkable ability to adapt to new challenges and learn quickly was commendable. Furthermore, Sourabh demonstrated excellent teamwork and communication skills, effectively collaborating with team members to achieve project goals. His contributions greatly enhanced the overall success of our projects.

We wish him all the best in his future endeavors.

Yours sincerely,
