To: Rajarshi Banerjee <rajarshi.banerjee@jamboreeindia.com>

Respected Mr. Banerjee Sir,

This is with reference to our telephonic and whatsapp discussion.

The college would like you to address our B.Sc. (Computer Science) , M.Sc. (Computer Science) and M.Sc. (Computer Applications) students by conducting a webinar on the topic "Opportunities to study abroad".

It is our normal practice to make our students industry-ready and employable, when they pursue their degree and pass out from college. At the same time, we also promote our students to pursue higher education in their field of interest.

I am sure our students will definitely get benefitted by your valuable guidance, since you have been working in this field for a long time, and have guided and promoted many students to study abroad.

So, as discussed, let us schedule your online guidance lecture on Friday, 07/01/2022 at 3.00 pm. I will share the Google Meet link with you half an hour before the scheduled time.

Thanks & Regards
Rekha Joshi
Asst. Professor

To
Prof. Rekha Joshi
Asst. Professor
PVG's College of Science
Pune

Respected Prof. Rekha Mam,

It is my pleasure to introduce Jamboree Education as a leading institution that provides specialized training for International exams such as **GRE, GMAT, TOEFL, and IELTS**. Jamboree provides students accurate and timely access to information on education abroad and helps them realize their dream of studying abroad. Jamboree was founded in 1993, and since then, we have sent more than 1,50,000 students abroad.

This is with reference to our discussion today morning at the college office.

We are keen to conduct an informative online session for the students of PVG's College of Science, and help them get a seamless experience of making their higher education dreams come true. We propose a webinar of **1hr** for the **2nd & 3rd year** students of B.Sc.-Computer Science along with **1st & 2nd year** M.Sc.- Computer Science/Computer Applications.

The webinar would cover the following areas :

- Various courses offered for B.Sc./M.Sc., Science students
- Career options in Computers, IT, Management, etc
- University admissions criteria
- Entry exams such as the GMAT and the GRE
- Scholarships and financial aids for Indian students
- Question and answer session.

May we add that this activity would be done purely for creating awareness among students for the opportunities existing abroad & Jamboree, as an organisation, will not do any marketing/promotion for its own courses. We will not ask for any student contact details(email/contact nos) during or after the webinar & maintain the confidentiality/privacy of the students who attend the session.

As discussed Mam, we will connect with you on Monday, 29th-Nov, to take this discussion forward.

Thanks & Regards,
R. Banerjee,
Business Development Manager
