**Academic Year: 2021-22**

**Title of the Program:** "The Power of Words: Mastering English for Competitive Exams"

**Date:** 11<sup>th</sup> Sept 2021

**Objective:** To emphasize the role of strong English language skills in achieving success in competitive exams, particularly in sections like verbal ability, reading comprehension, and vocabulary.

PVGCOS conducted a guest lecture on "The Power of Words: Mastering English for Competitive Exams" for the all students. The main objective of this was to provide techniques for mastering reading comprehension, such as skimming, scanning, and active reading.

The primary objective Competitive exams are doorways to a variety of prospects, such as the award of admissions to top universities or landing the dream job. These tests usually represent the most critical point in students' academic path.

**Learning Outcome:** Develop structured writing skills, including how to approach essay-type questions with clarity and coherence under time constraints.
