About Pune Vidyarthi Griha (PVG)

The parent institute Pune Vidyarthi Griha, formerly known, as Pune Anath Vidyarthi Griha is a well-known charitable institution of Maharashtra, established in 1909, by a group of dedicated and visionary educationists.

The primary mission of the Institute is to provide progressive and value added education facilities for the deserving, poor students of the society. Today, the institution has grown into a big banyan tree with its branches at Pune, Mumbai, and Nashik under its umbrella.

The Institute conducts a wide spectrum of education programs from Pre-primary to Higher education, in professional fields like Engineering, Technology, Management, Computer Science, and Commerce & Science College etc.

The Institute also runs the Research Institute of Communication Technology to nurture thirst of research and innovative minds.

Pune Vidyarthi Griha governs various institutions at Pune. Through these institutions, Pune Vidyarthi Griha provides various facilities from Junior KG to University level professional courses for the deserving students.

Pune Vidyarthi Griha has been the only institute in India, which has striven hard to professional education in printing field since 1926 and has taken lead in establishing degree and diploma in Printing Engineering and Communication Technology, approved by the All India Council for Technical Education.

The institute also runs Hostel for destitute boys, Gents & Ladies Hostels at Pune and Old age Home (Shatayu Bhavan) at Pune. PVG has modern Printing Press and Publications division. It has published mainly Technical books, which are standard & very popular.

About College of Science & Commerce

The PVG's College of Science & Commerce was established in the year 2001. It is affiliated to Savitribai Phule Pune University and Recognized by Govt. of Maharashtra in 2001. Initially the permission was granted only for B. Sc. (Computer Science) Course. Observing the excellence of the college within a short period of time, the University granted the permission to the college to start M.Sc. (Computer Science) course in the year 2005 – 06 and M.Sc. (Computer Applications) course in 2008-2009 on students & parents demand.

With the vision "To be the fore frontier in the field of education by providing competent professionals to lead in their fields", the College expanded its wings & entered Commerce, Management & Animation fields in the year 2021-2022. The college is committed to provide collaborative environment for wholesome education & has always been a nurturing ground not only for academic excellence but also for holistic development of students with strong support from all stakeholders management, employers, alumni and parents.

Call for Research Papers

Original and unpublished work on the themes and related sub themes indicated below are invited from researchers and research scholars. The authors can submit their original work on any of the following themes or sub themes. However the themes and sub themes are indicative.

Themes & Subthemes for Research Paper
